Hi Everyone,

And welcome,

We have a slight change and revision to our main current Quarterly newsletter
'JUST FOR TODAY'.

Currently this newsletter is published Quarterly but now we have revised it to be published yearly at Christmas time, as a special edition.

I am now going to publish this small newsletter each month on the 1st which will notify everyone of upcoming event's, course's and much more

We understand Students want something to read quickly, but in saying this at the same time they want to be updated and notified of all events and courses. I hope you enjoy reading this newsletter and I would appreciate any feedback.
