Oldham Reiki Network Student's Website

I was inspired to create a website on 1st January 2020 to offer and enable all Accredited 2nd and 3rd degree students to be listed upon it, with a view of offering Reiki treatments to the general public. I started work creating the *"Oldham Reiki Network"* on the 20th January 2020. If you feel you want to work on the general public and require a place to be listed then this is the website for you. Its our intention to offer Fully Certified Accredited Reiki practitioners all in one place within the Oldham area. We only accept accredited qualified Reiki practitioners so we only accept students who have been taught under the Reiki Tradition Accredited Scheme. To be listed is free and you can cancel at any time no contracts to sign. You can view the website at the following domain:

www.oldhamreikinetwork.co.uk

If you require to be listed on this website all we require are the following details:

- Full Address (trading from)
- Full contact telephone numbers mbl/home
- Full email address
- Any trading name you may have
- One head and shoulder picture of yourself (high resolution)
- Pictures of healing room etc (unlimited)
- Couple of paragraphs of text describing your experience
- Day and times available for working (will be added to booking system)

You can send us all above details to our email address:

info@reikitradition.me.uk

Finally so every student is the same on the website we only Advertise Reiki if you have other therapies these can be mentioned as "further therapies". The prices on the website are fixed so it makes the platform same for everyone the prices are:
